NOTES

- **Air:** Air has NOT been included in the above costs. World Projects estimates that roundtrip economy class airfare from Los Angeles International Airport to NYC and return, will fall within **\$500 - \$600** based on 2016 rates. World Projects will source air seats once they become available in the summer of 2016 and inform Redondo Beach Union High School on cost, itinerary, and payment schedule. Once booked, only the base fare is guaranteed – taxes and surcharges are subject to change until ticketing – should additional taxes or surcharges be levied, World Projects retains the right to pass on all such surcharges to Redondo Beach Union High School.
- **Baggage:** Baggage fees are set by the individual airlines. Most airlines charge for first and second checked bags and for oversize/weight fees. Once an airline has been selected for travel, World Projects will inform Redondo Beach Union High School of the selected airlines baggage policies and current fees. Redondo Beach Union High School will be responsible for all baggage fees. Fees are to be paid at the airport when the group checks in.
- **Rooming:** Quad denotes four (4) people per room, two double beds per room. Triple denotes three (3) people per room, two double beds per room. Sharing beds for quad and triple occupancy will be necessary. Double or single occupancy rooms could have two double beds, one queen size, or one king size bed in the room. Hotel rooms will be held on a “first come — first served” basis.
- **Numbers:** World Projects reserves the right to re-cost the tour, should the numbers fall below the stated minimum of 80 travelers. Please note that the New York Wind Band Festival requires a minimum of 80 travelers for the group to have two performance slots at Carnegie Hall. This minimum may be reached by including all travelers including performers, staff, and chaperones/adults.
